THE GARDENER'S BIBLE

CHIEF CONSULTANT: TONY LORD

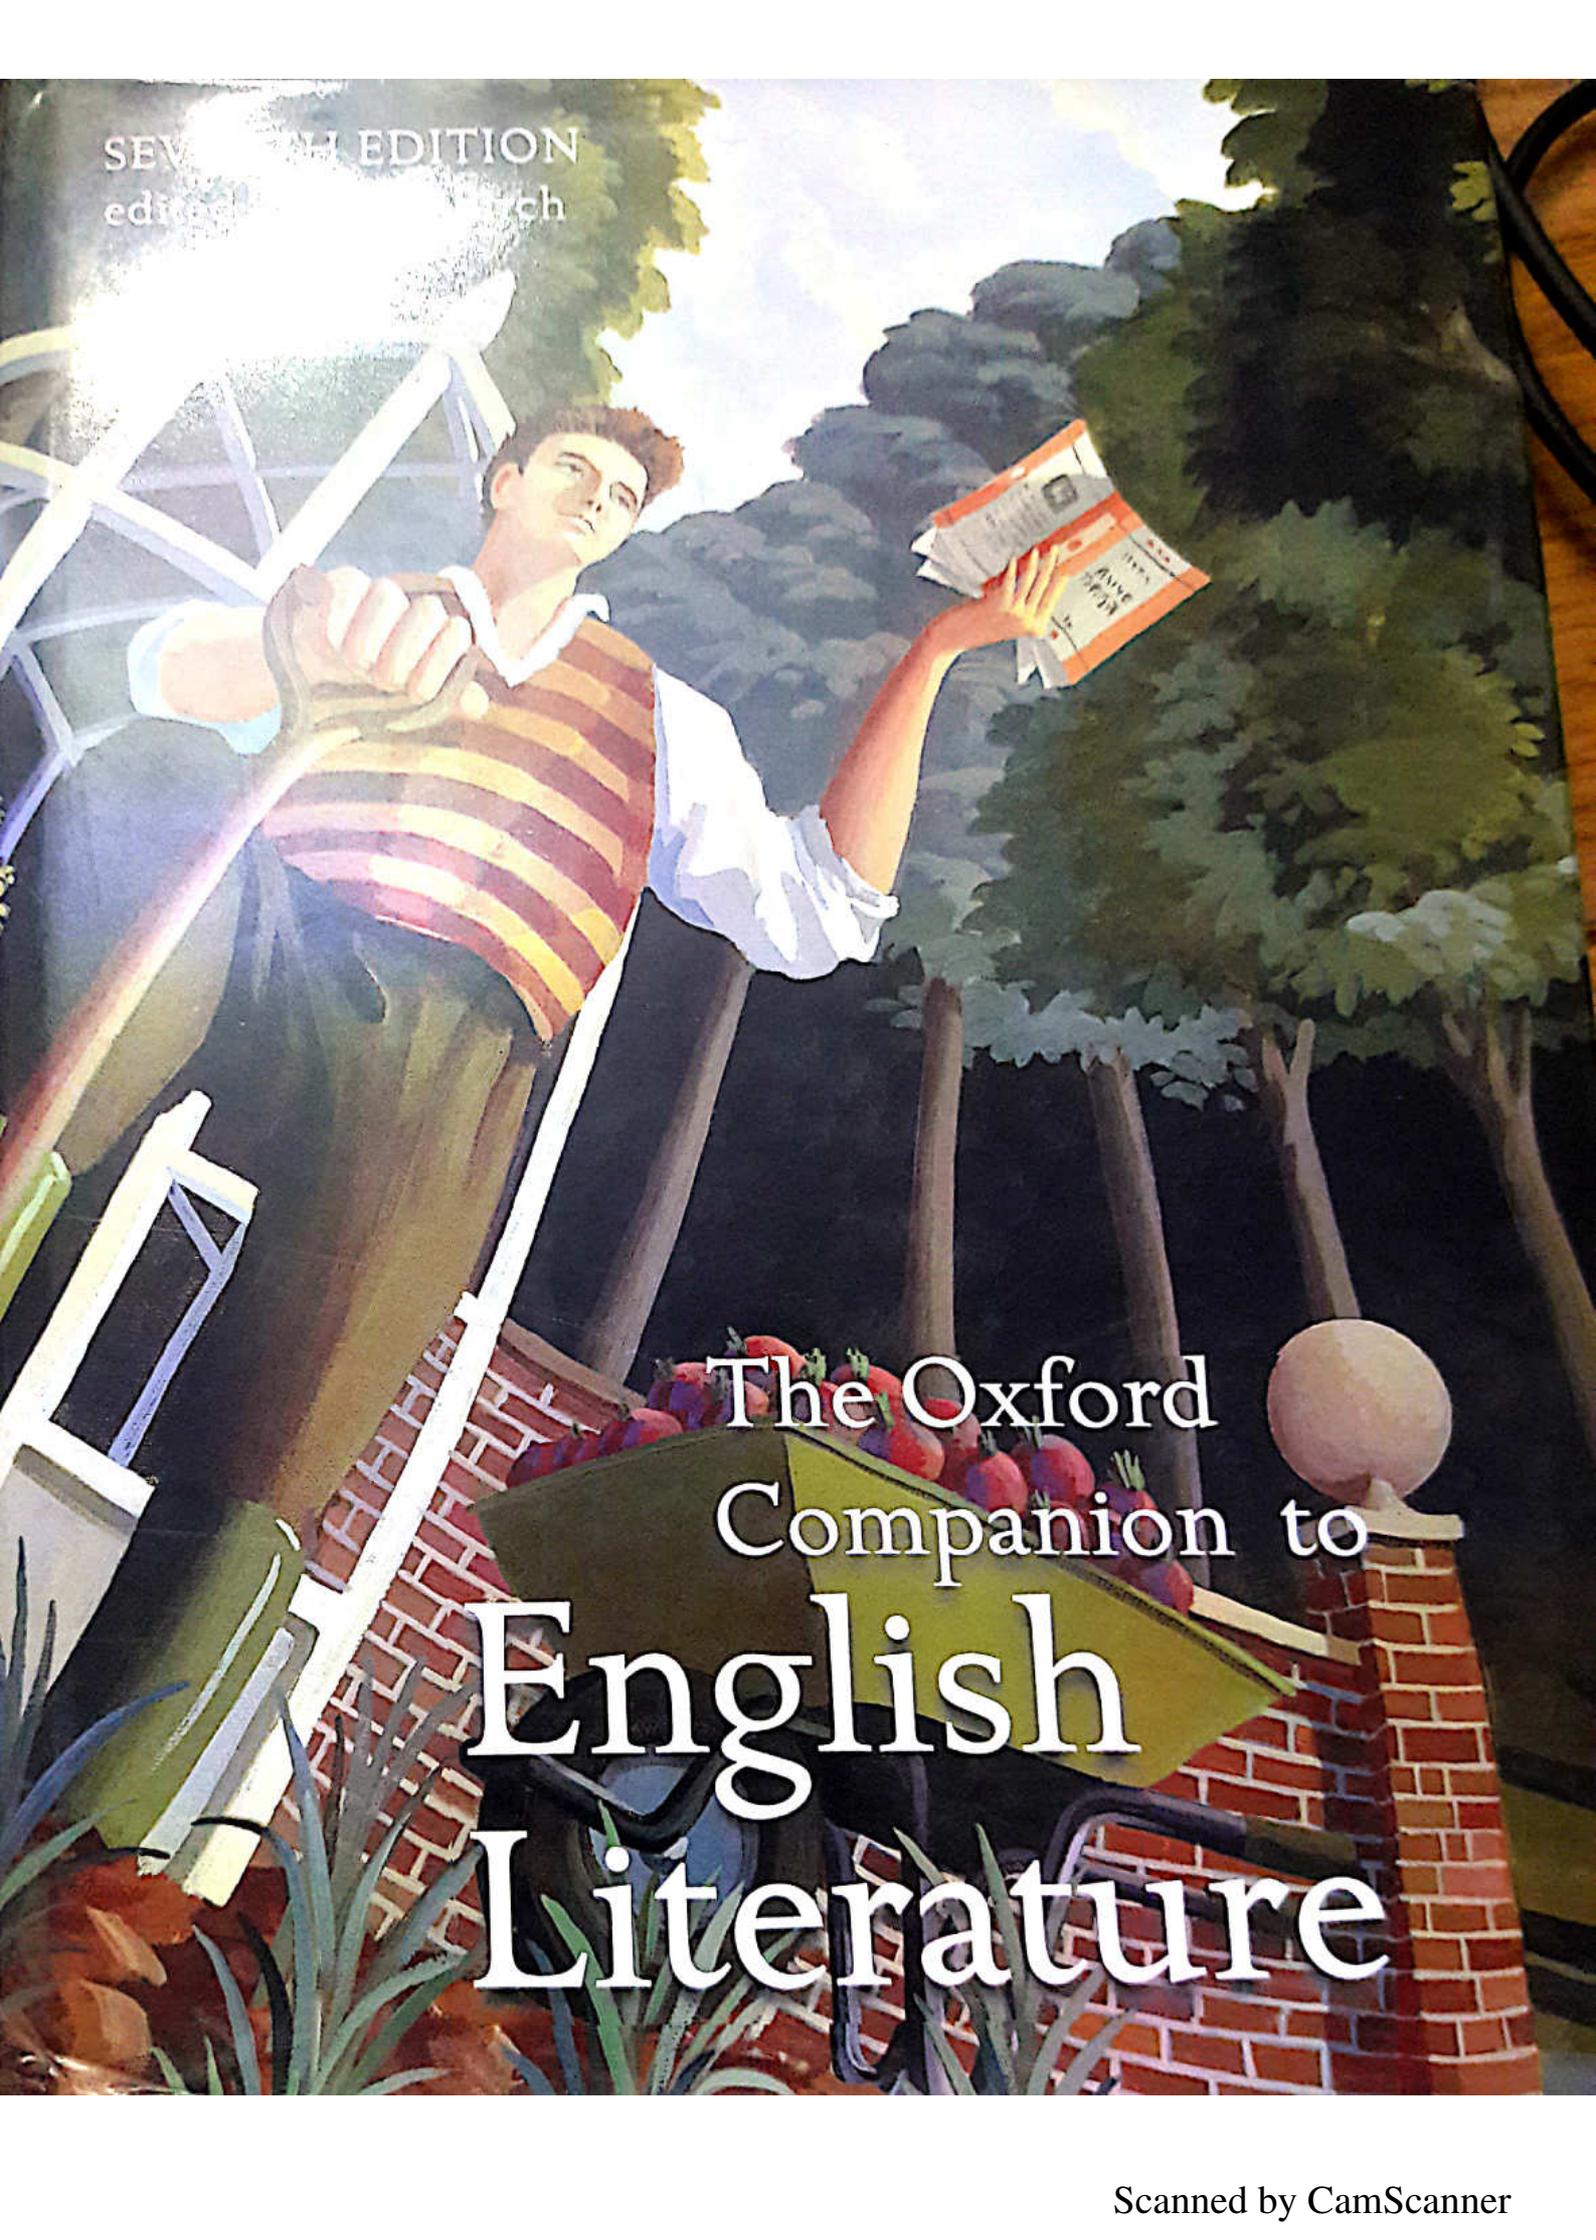

More than 20,000 garden plants from around the world

The background of the book cover is a vibrant, close-up photograph of autumn foliage. The leaves are in various stages of color change, ranging from bright yellow and orange to deep red and purple. Dark, thin branches crisscross the frame, creating a complex, organic pattern. The lighting is bright, highlighting the textures and colors of the leaves.
