PERSPECTIVE PLAN

2013-2018

Principal: Dr. T. N. Gholap

INTRODUCTION:

The present Perspective Plan has been prepared for the period of five years commencing from the academic year 2013 to 2018. The IQAC committee, Head of the departments, and the Principal, provided the guidelines for preparing the plan. It was discussed thoroughly in the IQAC meetings. Inputs from all stakeholders, their expectations, management policies and goals and objectives of the college have been used as the base in formulating the perspective plan. IQAC always strives to enhance the quality culture in academic and administrative activities in the college and assists to maintain quality culture and create student centric environment in the college. The feedback collected from the students, Alumni and Parents is analyzed, and the data is adopted for the enhancement of quality.

IQAC maintains the documentation of various activities leading to quality enhancement at the departmental and faculty level. IQAC plays a vital role in maintaining and enhancing the quality of the institution and suggests quality measures. Feedback from all the stakeholders and the recommendations of the IQAC are taken into consideration and innovations are incorporated in the perspective plan. Self appraisal of the faculty members, encouragement for

research through their involvement and contribution in seminars, conferences at national and international level, and establishment of staff academy are some of the measures undertaken on priority basis for quality sustenance and enhancement.

The Perspective Plan has been discussed, reviewed and approved in the local managing committee of the college. It is our sincere effort to prepare the framework for our collective efforts directed towards the attainment of our goals.
